Cari,

Will you replace my case charts with the new ones? Thanks.

Hi Byron

Attached are latest case charts. For new matters, I have made recommendations for you as to whether they should be "green" meaning regions free to move forward without further elevation unless circumstances change, and "red" meaning we won't proceed to finalize anything until it is approved by you or others here in hq.

We have blacked out matters on which you are recused. I will speak with Justin about those.

I'd like to meet on Tuesday and go over this if that's possible. Probably need an hour. Please advise if that's doable.

Cari Shiffman will bring hard copies of these to your office.

Thanks

Dave
